SUBSTITUTE RESPONSE TO NON-FINAL OFFICE ACTION

Mail Stop Amendments
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

Applicants have filed a response to the non-final Office Action mailed August 28, 2007 on November 28, 2007. In reviewing the documentation as filed, Applicants have become aware of two errors in the response filed on November 28: page 2 of the response was inadvertently listed as page 3, and the status identifier for claim 35, though the claim is shown amended via the annotations and discussed as amended in the remarks section, was inadvertently listed as previously presented. Through this substitute response, Applicants have corrected these two errors, which have resulted in the addition of page 2, and a change in the status of claim 35. Applicants have also made a change in the undersigned to David Rodack. All other sections of this response are identical to the response filed on November 28th, and hence Applicants respectfully request entry of the following amendments and consider the following remarks.
